MeDITERRANEAN™
fruit and vegetable extracts

v2.0

Mediteanox®

Standardized to hydroxytyrosol (HT) from 7% and higher

Mediteanox® is an extract from Spanish olives (*Olea europaea* L.) **beneficial for cardiovascular support and healthy aging.**

EFSA CLAIM

Olive oil polyphenols (at least 5 mg of HT) contribute to the protection of blood lipids from oxidative stress.

SUPERIOR ANTIOXIDANT CAPACITY

HT is the principal antioxidant compound in olive oil and **several clinical and in-vitro** studies support this.

WATER ONLY EXTRACTION

Pure-Hydro Process®, an eco-friendly extraction method using ultrapure water as the only solvent.

VERTICALLY INTEGRATED

Euromed controls each step of the supply chain, from seed to final quality extract

PATENTED: US8236993, EP2049458, US9132104, EP2170090
